We Need Youth Input

The Town of Cochrane is conducting the Cochrane Cares: Regional Well-Being Review. This is a municipal initiative led by Town of Cochrane Family and Community Support Services (FCSS).

The Cochrane Cares review is designed to engage residents of all ages in identifying current assets, gaps, opportunities and priorities with regard to their social, recreational and health needs.

We are looking for your assistance in engaging youth in Cochrane!

Please complete the online Youth Survey at the following link:

If you would like to get further information on the project or speak directly to Cochrane FCSS, please contact Kim Krawec at 403-851 2256 or Cindy Adekat at 403-851-2978.

We appreciate your feedback!
