

We're going to Japan!!!

Dear Parents and Guardians,

Global awareness is more essential than ever for our children, and the best way to become globally aware is by travelling abroad. Experiencing new cultures opens **students' eyes to the world and provides valuable life skills to help them prepare for the future.**

More and more colleges and universities are looking for international experience on **students' applications to set them apart. Travel isn't just educational; it's an investment** that gives your child an advantage in a competitive world.

With that in mind, **I'm excited to announce that a group of students and teachers from Bow Valley High School** are traveling on an educational tour to: Japan, March-April 2018.

On this tour, students will experience new cultures and visit important landmarks such as Asakusa Kannon Temple, Tokyo Museum, Hachimangu Shrine, Lake Ashi Boat tour, Nijo Castle, Arashiyama Bamboo Forest, Hiroshima, Osaka.

I'm hosting a meeting to discuss this opportunity in detail and answer any questions on Thursday, September 22, 2016. If you and your child would like to attend, you can RSVP by emailing me at sallard@rockyview.ab.ca or calling 403 932 9005, ext. 8767

The tour is operated by EF Educational Tours. You can learn more online at www.eftours.ca. This is an 11-day tour which will be a once in a life time opportunity for most travelers.

There are a limited number of spots available and the tour is sure to fill up quickly, so please attend the meeting if you are interested. This is a once-in-a-lifetime experience that will truly set your child apart.

I'm excited and looking forward to having you on tour!

Sincerely,

Scott Allard
