Dear Parents and Students:

Hello, my name is Mrs. Adrienne Fossheim, and I am the Drama Teacher at Bow Valley High School. I am both thrilled and honoured to be given this position, and I look forward to working with all of you. I did my practicum 6 years ago at BVHS under the wing of former Drama Teacher, Jodi Hogan. I am knowledgeable about the program and school, and look forward to building on the strong foundation already developed at BVHS.

I believe in empowering students, helping them shine as individuals, and preparing them for life beyond school. I am very passionate about the importance of Fine Arts in student learning, and if you would like to know more about me, please check out my website, [www.adriennefossheim.ca](http://www.adriennefossheim.ca). The only thing I haven't updated is that I am now the mom of 2 beautiful and busy little girls! With enriched experience and knowledge as a parent, it has brought forth a new sense of understanding and sensitivity in my teaching practice.

If you are interested at all in being involved in the classroom, I am always open to suggestions. In the world of drama and production there is always a job to do! If your son/daughter is interested in being a part of the big shows/ performance, I encourage them to enroll in my Performing Arts or Dance Class, which is extra curricular, and counts as credit towards their diploma.

Please consider this letter an open invitation to email, call or visit. I look forward to meeting you.

Sincerely,

Adrienne Fossheim
