Dear Bow Valley High School families,

I am excited to welcome all students back to BVHS on Monday, Sept. 8! We appreciate your patience, flexibility and support during the temporary shift to online learning. Our staff worked diligently to ensure continuity of learning, and we are proud of how our students adapted to the virtual environment.

The construction work that caused the delay is now complete, and we are thrilled to welcome students in-person on Monday. Ongoing construction to complete the expansion and modernization of the school will continue; however, safety remains our top priority, and the required thorough inspections have been conducted to ensure the building is ready for occupancy.

Here are a few important reminders as we return to in-person learning:

- [School hours](#) will resume as normal.
- Bus services will be available starting Sept. 8.
- If your child borrowed a device for online learning, please return it to the main office on Sept. 8

We look forward to seeing all BVHS students back in the classroom and beginning a successful school year together. If you have any questions or concerns, please reach out to me.

Thank you again for your continued support.
