Assistant Principal

April 12, 2021

Dear BVHS parents, guardians and families,

Over the recent break we received information that two individuals from Bow Valley High School have tested positive for COVID-19. We worked closely with Alberta Health Services (AHS) to ensure the necessary precautions have been taken to protect students and staff. For privacy reasons, we will not be sharing more information about any individual cases.

Those students and staff, who our records show would likely have had close contact with the individual who tested positive, were provided additional information in a separate email about required isolation and should also have been contacted directly by AHS by email.

Screening for illness is an essential part of Rocky View Schools' safety strategies to slow the spread of COVID-19. Please do not send your child to school if they are sick. If they answer YES to any of the questions on the [Alberta Health Daily Checklist](#), then please follow the guidance provided on that checklist and/or complete the [COVID-19 self-assessment](#) for Albertans and follow the directions provided. It is important that the checklist be completed daily at home. For questions about COVID-19, visit [alberta.ca/covid19](http://alberta.ca/covid19) or call 811.

Our thoughts are with all individuals impacted by any positive cases. We wish anyone impacted a quick recovery. Thank you for your understanding and cooperation.

Sincerely,

Jim Reilly, Principal BVHS
