

How to Connect to RVS wifi at school using my personal chromebook  
(this does not apply to school owned chromebooks)

1. Restart your ChromeBook
2. DO NOT LOGIN TO YOUR ACCOUNT
3. Click the wifi bottom right corner
4. Connect to RVS
5. Change the setting as in the pic  
EAP Method = PEAP  
EAP Phase 2 Authentication = MSCHAPv2  
Identity = student username  
Password = school ID (not powerschool number)

- 6.
7. Choose Connect and you should connect to RVS network
