5. Business arising from minutes
 - A) The “I Got Mind” presentation was paid for last June and we can coordinate a date with him anytime for Sept or Oct. He has asked for a couple of weeks notice for planning purposes. He has offered a presentation like we discussed in the spring about how we as parents can support our students as they reenter school in a post Covid world. Bob said it would take about an hour and then a question period so we might want to consider making an evening event of it...with some promotion of council on the side.
 - Waiting for confirmation that presentation can be done on October 13, 2022 at next School Council
 - B) Operating Procedures and Bylaws - Approval of updates and amendments
6. Administration Update
 - Expansion is a go, breaking ground in 2023. Tender is going forward in the next couple weeks. Two vendors came and looked at the school. It's an Alberta government project, not a Rockyview decision.
 - School Council
 - Intro - person and professional
 - Staffing – fully staffed – looking to hire Semester 2
