

## Gale Virtual Reference Library eBooks

Nested within the Professional Learning section of the web portal is a spot dedicated for **PL eBooks for RVS teachers**. Discover 116 eBooks with content eclipsing virtually any subject. You can find lesson plans, case studies, essays and more for topics such as Teaching Methods, Critical Thinking, Leadership and Problem Solving, among others.

To **access** within RVS, click [here](#).  
([http://go.galegroup.com/ps/start.do?p=GVRL&u=calg54612\\_ascd](http://go.galegroup.com/ps/start.do?p=GVRL&u=calg54612_ascd)). To access outside of RVS, the **password** is: calg54612

## Destiny eBook Shelf

Using any Android or Apple device, RVS staff and students have access to their **school digital library** anytime, anywhere!

To **access** your school eBook shelf, click [here](#).  
(<https://www.gofollett.com/aasp/ui/pick/picked>)

- Location – select Alberta
- School – enter your school's name
- Click 'Go!'

Use your RVS login credentials to login.

**Username:** jsmith

**Password:** your employee ID#

To download titles, proceed to [Google](#) or [iTunes](#) to load the Destiny Discover app onto your device at no cost.

Questions can be directed to Tracy Bell  
At [tbell@rockyview.ab.ca](mailto:tbell@rockyview.ab.ca) or the Learning Commons Facilitator of their school location.

\*Subs can be granted access for the school they are subbing at, at the time they are subbing.

## Bibliovation

RVS uses a web-based Integrated Library System called Bibliovation to manage Learning Commons and school resources. To visit the RVS division site for **public viewing**, click [here](#).

All schools have an **individual school site** accessible by clicking on the Bibliovation icon on the top navigation bar of their school homepage or by clicking on the Learning Commons link.

To gain **access** to your personal account, login using your RVS username and password.

There is a **self-checkout station** available to sign out titles. Learning Commons staff will set up a station for this purpose. Staff will use their RVS username and password to login whereas students will use their student number.

## ATA Library's Guides

The ATA offers a login-free service from their library, available at:

<https://teachers-ab.libguides.com/home>

### **Find resources:**

Organized by curricular subject and grade level

On topics outside specific curriculum

On seasonal and holiday topics

On teaching resources curated by the ATA Library

# RVS APPROVED ONLINE RESOURCES

**Did you know that **YOU** have access to a plethora of online digital resources with just a click of your mouse?**

### Brochure Link

**MyRVS > Work Resources >  
Technology Supports > Online  
Licenses and Online Safety >  
Approved Online Licensed Resources**

## Gizmos Online Math & Science Simulation

Gizmos has 500+ math and science simulations allowing students to graph, measure, predict and prove data.

To get started, teachers are asked to choose the link for their grade level. **These links should not be shared with students.**

### K-6 Registration Link:

<https://gz.explorelearning.com/index.cfm?method=cUser.dspRegister&regcode=RGYSCP4S>

### 7-12 Registration Link:

<https://gz.explorelearning.com/index.cfm?method=cUser.dspRegister&regcode=TH5M9EXW>

For questions, please contact Learning Specialists [Dirk Meyer](#) or [Alison Turner](#).

## Alberta Assessment Consortium

A not-for-profit registered society, the AAC provides a site rich with resources that can help develop and extend understanding of assessment promising practices. The AAC also provides PL opportunities to engage and enrich educators.

Go to [aac.ab.ca](http://aac.ab.ca)

Click 'Login' in the upper right-hand corner  
On the 'Login' page, click the 'Sign in with Microsoft' button

Use your own [@rockyview.ab.ca](mailto:@rockyview.ab.ca) email address and password to sign in

## LearnAlberta

This newly re-vamped beta site (<https://new.learnalberta.ca/?x=B01230F8>) is your go-to for finding curriculum content, printable resources, and provincial assessments. \*Resources from the **Online Reference Centre** have been transitioned into LearnAlberta. If there is a resource you are unable to locate, please contact [LearnAlberta.Feedback@gov.ab.ca](mailto:LearnAlberta.Feedback@gov.ab.ca)

## Western Canadian Learning Network (WCLN)

In partnership with WCLN, RVS has uploaded full BC online courses which includes digital content, videos, activities and links for Math, English, Social Studies, and Science curriculum for Grades 5 through 12. Skim the content, import or remix to support RVS learners.

To **access**, click [here](https://wcln.ca/login/) (<https://wcln.ca/login/>)

and select **Create New Account**. Fill out the information required, and a confirmation email from WCLN will be sent to the email address you provided. Click on the link in the email to confirm your registration and then you will have access.

## Moodle

Moodle is RVS' Learning Management System (LMS). Supplementing regular classroom instruction, this online teaching space facilitates student learning any time, any place, any path and at any pace. Teachers use Moodle to deliver content to students, interact in and outside of class time, and assess learning using assignments, quizzes, and tests.

RVS maintains three Moodle sites:

**Moodle for in-class** – To access Moodle that supports in-class learning, go to <https://moodle.rockyview.ab.ca>

Additional Moodle courses can be found at <https://moodlehub.ca>

RVS maintains an open resource philosophy in Moodle. Any teacher in RVS can access any course in Moodle. To request a course or parts of a course, or have trouble accessing courses, please contact [dmeyer@rockyview.ab.ca](mailto:dmeyer@rockyview.ab.ca), [aturner@rockyview.ab.ca](mailto:aturner@rockyview.ab.ca), [acoe@rockyview.ab.ca](mailto:acoe@rockyview.ab.ca)

## Audio Cine Films (ACF)

ACF provides access to one of the largest film libraries available, offering hundreds of movies to choose from with multiple language options. The system works best with Google Chrome. Other browsers will require a 3<sup>rd</sup> party plug-in.

### **FROM SCHOOL:**

[Audio Ciné Films Inc. \(acf-film.com\)](https://www.acf-film.com)

Click on **LOGIN IP**

### **FROM HOME:**

Audio Cine is no longer providing a blanket login and password for teachers and students accessing the service from outside of the RVS network.

Credentials will only be supplied to online teachers by request. Requests are to be sent via email to the secretary of Technology for Learning and must include:

- Movie title
- Name of school
- The period of time access will be required

\*Please note that access may take some time to set-up so requests should be sent with enough time to facilitate the request.

\*Please note that to Airplay, the Safari browser must be used.

## Criterion on Demand

A user-friendly platform for accessing relevant films with 1500+ English titles, 100+ French titles and over 135 Foreign language films with English subtitles. Click [here](https://www.criterionondemand.com/). (<https://www.criterionondemand.com/>) to **access** movies while at RVS. Select LOGIN in the top right corner for automatic login. From home, click [here](#) and select LOGIN and use the following:

### **Teacher Credentials: (full access)**

COD username: 92016

COD password: Rocv

### **Student Credentials: (limited access)**

COD username: 9201606

COD password: rvstu

To add specific titles to student access, please contact:

[diana.baudisch@globaleagle.com](mailto:diana.baudisch@globaleagle.com)

[matthew.blight@globaleagle.com](mailto:matthew.blight@globaleagle.com)

\*Please note that to Airplay, the Safari browser must be used.

## National Film Board (NFB)

The NFB platform offers a free collection of 5,200+ documentaries, animated films, interactive productions, and short films in English and French. To access, click [www.nfb.ca](http://www.nfb.ca).

Content includes Environment & Sustainability, Indigenous & Reconciliation, and Diversity & Inclusion, Politics & Government, Economics, Music, Arts, and so much more...

# Web Safety

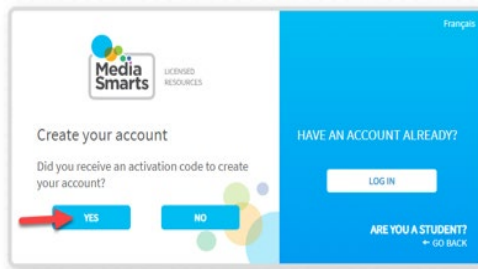

## MediaSmarts

MediaSmarts develops digital and media literacy programs, resources, and tools so that teachers can help children and teens develop the critical thinking skills they need for interacting with the media they love.

### Creating a Teacher Account

<https://my.mediasmarts.ca/en/teacher/account/signup>

- Enter Activation Code **362089930** and your credentials.
- Click CREATE AN ACCOUNT

Create your account

Did you receive an activation code to create your account?

Enter Your Activation Code:

Your Email:

Create a new password

First Name:

Last Name:

- After clicking on CREATE AN ACCOUNT **you will receive a validation email.** Click on the link in the email to validate your account.

If you do not receive an email, please check your SPAM folder. If you still can't find the validation email, contact [licensing@mediasmarts.ca](mailto:licensing@mediasmarts.ca) for assistance.

- Click [here](#) for the remainder of the instructions on:

How to create classrooms  
How to add students  
How to provide access to students  
Review student progress

**Two tools available are:**

### Cyber Choices (Grades 3-5)

An interactive game designed to help students in Grades 3-5 develop the skills and habits they will need to make safe and responsible choices online. Topics explore making good choices about personal information sharing, dealing with cyber bullying, and managing online conflict.

### A Day in the Life of the Joes (Grades 6-8)

An interactive game for students in Gr 6-8 aiming to help students think critically about issues relating to online privacy, marketing, responsible internet use, authenticating online resources and internet safety.
